

## TOURNAMENT PLAY

### In the Mood for a little Competition?

High Definition Golf™ Tournament Play will allow golfers to compete at home or at their favorite indoor golf center or for that matter, anywhere that has High Definition Golf™ simulators. Virtual tournaments run just like the real thing and the best part is players get to customize every aspect of the tournament.

### Tournament Control at your Fingertips:

- Customize and manage every aspect of a tournament
- Select from some of the worlds best courses including: Pebble Beach®, Kiawah Island, Pinehurst, TPC Blue Monster, or Bethpage
- Choose your start and completion dates
- Select the numbers of rounds and even the tees
- Choose team, scramble or stroke play

### Easily Create and Join Tournaments

- HD Golf™ tournaments are categorized as “Opens” and “Invitationals”
- Tournaments designated as “Opens” are open to the public, where everyone and anyone on a HD Golf™ simulator can join in on the action
- Invitational’s are private invitation only events that are ideal for Golf Centers sports bars and many other golf related businesses that want to take advantage of the system to create excitement in their establishments year round
- Challenge HD Golf™ Golf Centers around the corner or around the world

### League Play

- Ideal solution for Golf Centers looking to manage regular in-house league play
- Play privately with friends and family at home or challenge other teams or individuals around the world
- Run leagues for men and women, seniors or children just getting into the game

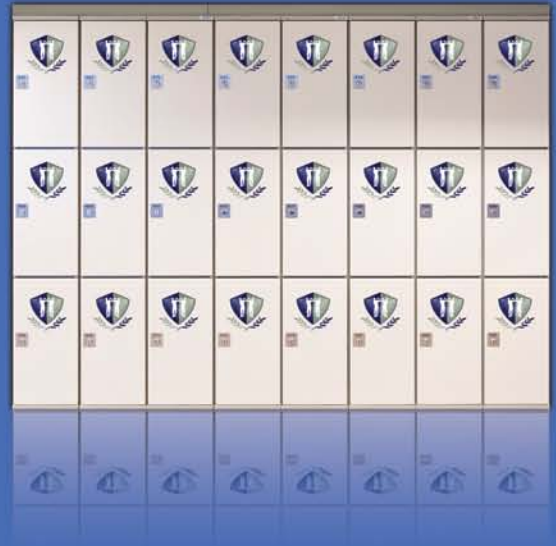

## HD Golf™ Player “Lockers”

- Player “Lockers” are personalized player profiles
- All player statistics and information is stored online with easy access via a personal webpage
- Stored information may include detailed shot data, statistics, video swing analysis videos, club fitting information as well as all historical tournament and league play
- Seamlessly integrated into the HD Golf Center Management Software

## Easy-to-Use

- Like the HD Golf™ simulator itself, the web-based tournament system is very easy-to-use
- Players can be up and running in just a few simple steps:

Visit the new tournament portal at:  
**tournaments.HDgolf.com**  
and create a player profile

Join an existing tournament or league or create your own

Make your way to the nearest HD Golf™ simulator and press the Tournament Play button

Enter the tournament ID number, your name and email address into the simulator and play!

## The HD Golf Open

As part of the launch and getting people into the spirit of competition, we will be hosting the inaugural HD Open. The Open will be played on HD Golf™ simulators worldwide and will take place on the legendary TPC Blue Monster, home to the PGA Tour for over 45 years. Competition will begin this fall and first prize will be an all-expenses paid trip to the Doral Golf Resort & Spa in Miami, a private lesson with world-renowned golf instructor Jim McLean and a round of golf on the real TPC Blue Monster. There will be a lot of other unique prizes as well, so stay tuned for details!
